

How to download, save, open an application on your smart phones or tablets.

Below is an example of how it looks on an iPhone or iPad, both Mac and Android products will have a similar process.

Where to download the Metis Nation—Saskatchewan Registry application. Go to metisnationsk.com, then go to the Citizenship Tab, then to the Register dropdown option. Click on the Visit Library button, then select the form called, Individual Citizenship Application.

The screenshot shows a mobile browser interface with the address bar displaying cdn.mtisnationsk.com. The page content is the "Individual Citizenship Application" form from the Metis Nation Saskatchewan. The form includes sections for personal information, marital status, health card, and biological parents. A blue arrow points to the share icon in the browser's address bar.
