MMIWG
Métis ∞ Family Information Liaison Outreach

Métis Nation-Saskatchewan (MN-S) Family Information Liaison Outreach (FILO)

A service for families of missing and murdered Métis women, girls and 2SLGBTQQIA+ people. We are committed to working with families in a trauma informed manner, practicing and protecting our traditional protocols; to support individuals, families and communities for mental wellness and healing.

Who is Eligible to Access Services?

- Registered MN-S Citizens.
- Privacy regulations and legislation determine eligibility.

"Working through a healing process that addresses all past traumas our Métis MMIWG families have endured."

MN-S FILO Provides?

- FILO supports families in their efforts to access information about missing and /or murdered Métis women, girls and 2SLGBTQQIA+ people.
- Liaison Unit Staff do not undertake or participate in open investigations, provide legal advice, or participate in legal proceedings.
- The FILO acts as a liaison between family members and public agencies that may have information about a loved one or incident.
